

## RESEARCH STUDY

# Are you a young adult who has had cancer?

Researchers at Lakehead University want to hear about your experiences with scans and scanxiety to help improve care.

### Who can participate?

You may be eligible if you are:

- 18-39 years old
- Live in Canada
- Diagnosed with cancer between ages 15-39
- Completed active cancer treatment in the last 5 years
- Had a cancer-related medical imaging scan in the past year
- Able to participate in English and online

### What's involved?

Those interested will be asked to:

- Fill out a brief eligibility survey; and
- Participate in brief survey and a 90 to 120 minute focus group

Focus group participants will receive a \$50 gift card.

### Next Steps

Interested? Scan the QR code to complete the eligibility survey OR email

**research.brancheslab@lakeheadu.ca** to ask questions.
